

We add 2 tables:

header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	
header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	

They are glued to each other

header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	

This is not very nice. Turn to the next page to see how we solved this

We add 2 tables, but with a certain 'SpacingBefore':

header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	

header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	

Unfortunately, there was no spacing after.

header with colspan 3		
1.1	2.1	3.1
1.2	2.2	3.2
cell test1	cell test2	

This is much better, don't you think so?
